

The ONLY Maths resource incorporating all strands of the NEW NZ curriculum!

Pearson MATHEMATICS

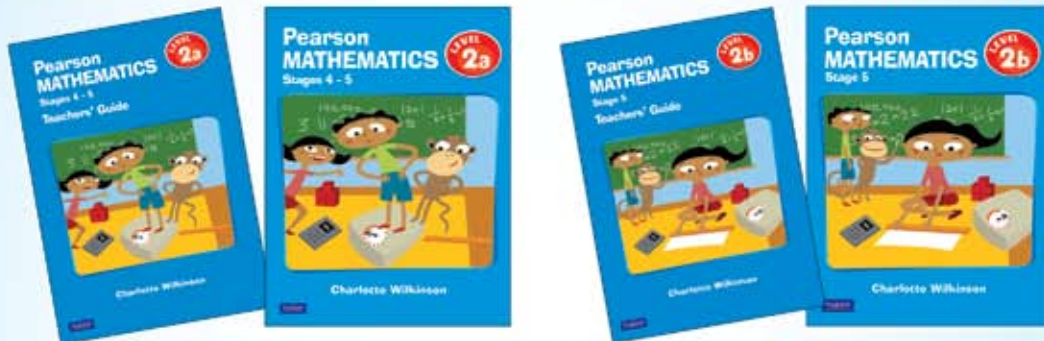

First Choice for Success

Charlotte Wilkinson

Level 1

The key to *Pearson Mathematics* is the Teachers' Guides because they provide all the tools needed to plan a programme to meet the requirements of all students.

Level 2

Pearson Mathematics links *Figure it Out* and *Wilkie Way Numeracy* resources.

Level 3

Provides learning and assessment activities to gather evidence for National Standards.

Level 4

To find out more contact the Education Consultant for your area at pearsoned.co.nz/relocator or browse online at pearsoned.co.nz/pearsonmaths
